'Project delays cost 1.64 lakh job slots'

Mar 02, 2009 at 2354 hrs IST

New Delhi: ***Eighteen big projects in sectors like steel and power could have created jobs for 1.64 lakh people if these did not face bottlenecks in land acquisition and environmental clearance, industry body Assocham said on Sunday.***

What Project Management is perceived as

- Its common sense
- Just build in a x% cost over run in the budget
- Just Do it! We can fix it later
- Not enough time, not enough resources
- Once titled Project Manager - (S)He will do it
- We don't have time to plan!
- We have been doing it for years
- Just ask for reports
