

ZED ASSESSOR TRAINING

(5 days)

6 - 10 November, 2017

The objective of the above training is to develop a pool of ZED Assessors, who will play pivotal role in ZED Assessment and certification, as well as consultancy to MSMEs. The ultimate aim is to enable the MSMEs graduate to higher levels of ratings as per the ZED Maturity model.

If you are a professional with shop-floor level work experience, shop-floor

consultancy, sound technical understanding of Quality systems and other management standards the above programme will provide an unique learning opportunity to enhance your professional skills. You will also get the opportunity to play the vital role in Govt. of India's ambitious "Make in India" programme.

THERE IS NO PARTICIPATION FEE FOR ELIGIBLE CANDIDATES

The **Kerala State Productivity Council (KSPC)** in association with **Quality Council of India (QCI)**, New Delhi is organizing 5 day ZED Assessor End to End Training Programme at Productivity House, Kalamassery.

Govt. of India has initiated an extensive drive to enhance global competitiveness of industries, especially MSMEs, by providing them supports in establishing best practices in their manufacturing processes on Quality and Environment aspects.

The programmes under ZED (Zero Defect Zero Effect) Certification scheme will provide MSMEs financial support in assessment, rating and hand holding of its manufacturing processes as per ZED guidelines.

In the context of ZED certification scheme, QCI

has entrusted KSPC to conduct 5-Day Assessor Training Programme for the creation of Assessors in the ZED disciplines viz QMS, Environment Management, Best Business practices, Best Manufacturing Practice, Supply Chain Management, Continual improvement, Energy Management, Intellectual Property Rights (IPR), Human Resource Management & Finance Management.

PARTICIPANTS

Professionals familiar with MSME specific shop-floor level work experience, shop floor consultancy, sound technical understanding of technical areas such as Kaizen, SPC, Six Sigma, Lean Management, Energy Management, ISO 9000, ISO 14000, ISO 18000, ISO 21000 and other management standards, etc.
