

4.5.1 Initiative 5 – Form a Regional Best Practices Taskforce with experienced chapter volunteers that will address the needs of the Chapters in the Region.

4.5.2 Description The Regional Best Practices Taskforce will consist of Past Presidents and Past Board members with experience and expertise in various functions of Chapter Operations. They will take the needs of the Chapters and develop resources that can be uniformly accepted and used by Chapters in the Region. They will explore regional resources that can be utilized by all chapters thus bringing down the cost of operations of chapters.

4.5.3 Purpose *To document best practices and develop regional resources.*

4.5.4 Planned Deliverables *Ensure that at least one experienced chapter volunteer leader is nominated from every chapter to the Regional Best Practices Taskforce. Identify top three challenges in the region leadership meeting and facilitate the documentation of best practices to counter the challenges. Identify one shared resource that can be shared by chapters in the region.*

4.5.5 Project Team Members *Experienced Chapter Volunteer Leaders (past board members).*
