We hope you find the Component Marketing Toolkit helpful in your efforts to grow your Component. Please participate in a brief survey regarding which materials you find most helpful and let us know what other items would be valuable. This survey can be found at <http://www.zoomerang.com/Survey/?p=WEB2284EAXER37>. PMI wants to help you succeed in creating a strong and vibrant local Component. We believe you will find these materials to be an important tool in that effort.
