5. **CHAPTER JOURNAL** : Prakalp - The PMI MC Journal had a modest 3 releases this year. However, we are committed to revamp the publication and give it a much needed face lift in the coming year. The two important aspects will continue to be advertisements from organizations and contribution in the form of articles from the esteemed Mumbai Chapter

members. The Chapter members experience as project management practitioners can be shared with readers through this effective medium. Your active participation is therefore solicited to give PRAKALP a new outlook and a new dimension. The editorial team looks forward to hear from you in this regard.

6. **CHAPTER WEBSITE :** The calendar of events has been regularly maintained on the website for effective communication to the stakeholders. Information related to PMP certification examination courses and enrollment details and registration form are readily accessible. Pictures from most recent events are now available on the website. All editions of Prakash so far published by the chapter are also available on the website. Up to date contact information and email configuration has been maintained for effective communication. It has been proposed to improve the communication and increase collaboration between the stakeholders by deploying a chapter portal based on Content Management Framework. Chapter has listed the requirements and is actively seeking vendors/volunteers who can implement the requirements of the chapter.
7. **LIBRARY :** A list of 93 publications available for reference and borrowing at the Chapter office is enclosed herewith. Members are encouraged to make use of the books.
8. **LEADERSHIP INSTITUTE MEETINGS (LIM) :** The chapter was given an additional free participation offer for the Seattle LIM in October 2006 on completion of 5 years. The chapter nominated Mr. Tejas Sura and Mr. Rakesh Gupta for this meeting. The board members as part of the Team India initiative were able to further reinforce the need for special attention to PM in India. Based on efforts of Team India, PMI conveyed through John Engman, its decision to open an office in Mumbai, India. In a meeting with PMI CEO Gregory Balestrero at Mumbai in September 2007, he has announced the opening of its India operations in first quarter of 2008. PMI MC Leaders were introduced to the concept of PMI strategic planning initiative in October 2006 meeting. The chapter leader also learnt about the benefits of strategic planning at Washington DC chapter by listening to its ex-president Mr. Chris Fristad in March 2007. The board now has realigned its strategic plan and operational plans in line with PMI guidelines. Seattle 2006 was the first LIM where the chapter took part in the component showcase. The LIM at Hong Kong in January 2007 was attended by Mr. Bharat Bhagat. The LIM at Atlanta in October 2007 was attended by Mr. Vivek Prakash who also displayed the chapter showcase. The board did not nominate any one for LIM in South America. Here in there is an opportunity for all chapter members to work as volunteers for the chapter, move into leadership roles within the chapter, and further enhance their leadership skills by networking with other component leaders
9. **ANNUAL ACCOUNTS:** The audited Statement of Accounts and Auditor's report for the financial year ended 31st March 2007 are being submitted separately.
10. **ACKNOWLEDGEMENT :** The Chapter Committee wishes to place on record its appreciation for the assistance and co-operation received from the Government authorities, office of the Charity Commissioner, Banks, and other like-minded institutions during the year under review. The Chapter Committee is also pleased to record its appreciation and contribution made by the staff for the commendable teamwork with volunteers during the year. The Chapter Committee also thanks all the Members of the Chapter for their constant encouragement and active participation in the various activities of the Chapter.
