ABOUT PMI

Professional Development

Turn to PMI's professional development offerings to manage your career, whether you're a novice or a veteran project manager. Improve your skill set with a PMI event, training course or academic degree. Plan your next step with our Knowledge Assessment and PathPro® features, and find that next step in our [Career Headquarters](#).

Regardless of your skill level, use PMI's professional development to keep you on top.

See where you stand

Use PMI's [Career Framework](#) to find out if you have the project management expertise to succeed. Use our Knowledge Assessment to evaluate your skills, or access PathPro®, our unique online tool that allows you to assess your abilities and plan for future career growth.

Hone your project management skills

Professional development doesn't just take place at your job or inside a classroom. That's why [PMI Training and Events](#) offers a variety of learning opportunities — from global congresses to SeminarsWorld® events to our [e-Learning offerings](#) — to fit your budget, interests and goals.

You can also turn to PMI-approved R.E.P's, or [Registered Education Providers](#). Their training courses improve your knowledge base and, if you hold a certification, earn you critical contact hours and PDUs.

Or if you're looking to earn a project management degree, the PMI® Global Accreditation Center (GAC) can make sure you choose the right academic program.

Find what's next

Do you need a job? Or are you just looking to take that next step in your career? Whatever your plans are, PMI's Career Headquarters can get you on the right track. Search open positions, post your résumé and work with a career coach.
